

Central Northern Adelaide Health Services (CNAHS) and Southern Adelaide Health Services (SAHS) both have shared care positions. These positions have the following roles-

- Develop systems to support the General practitioner as the central person in a person's care
- To inform General Practice about pathways through the mental health systems
- To liaise with the Divisions of General Practice and hold formal networking and information sharing meetings
- Welcome General Practice involvement into the shared care roles of pathway design, education/training and information sharing design
- Membership of the Mental Health Shared Care steering committee
- Work closely with General Practice SA

CNAHS position is held by Lisa Wilton lisa.wilton@health.sa.gov.au
Tel: 0411 224 904 - Lisa is based at Flexistow community mental health team in Adelaide

SAHS position is held by Sarah Anstey sarah.anstey@heath.sa.gov.au
Tel: 08 8204 6971 - Sarah is based at "The Flats", Flinders Medical Centre, Bedford Drive, Bedford Park
