has pleasure inviting you to a presentation with

Assoc. Prof. Dominic Fitzgerald  
Respiratory Paediatrician  
Children's Hospital at Westmead, NSW  
on

## Wheezing in Childhood

**GP Facilitator:** Dr Simon Young

**Dates:** Tuesday 22nd September 2009  
7.30pm to 8.30pm AEST  
Log on 7.20pm

OR

Wednesday 23rd September 2009  
12.30pm to 1.30pm AEST  
Log on 12.20pm

You are invited to participate in a live interactive, case-history based webinar with a paediatric respiratory physician. Key issues in the diagnoses and management of pre-school wheeze and childhood asthma will be discussed. You can access the webinar from the comfort of your home or surgery via a computer with a **broadband** internet connection.

**Accreditation:** 2 Category 2 CPD points (RACGP)  
1 CME PD points (ACRRM)

**MERCK SHARP & DOHME**  
Finding better ways

## Key Learning Objectives\*

- Differentiate wheezing phenotypes in early childhood and their relationship to diagnoses of asthma
- Classify the patterns of asthma in children
- Describe the major triggers of wheezing in children
- Management of acute viral-induced wheeze in preschool children
- Appreciate asthma comorbidities and their relationship to asthma management
- Review current approaches to the management of childhood asthma, in line with national guidelines

\*A complete list of learning objectives may be obtained from the program sponsor.

**To register, fax to (02) 9795 9278  
by 11th September 2009**
