

The Annual Dr Brian Pridmore Perinatal Forum

2009

Obesity in pregnancy - a sizeable problem

To be held at

**The Main Lecture Theatre
Level 1, Queen Victoria Building
Women's & Children's Hospital**

Tuesday, 27th October 2009, 7.30-9.30pm

Refreshments will be served in the foyer from 7pm

**A panel will guide an interactive forum on the
management of obesity: pre-pregnancy, antenatal
screening, fetal monitoring, anaesthesia, equipment
and neonatal issues.**

An invitation is extended to all health professionals to attend and participate in this free, interactive forum.

Panel

- **Ms Michelle Marsh (Midwife)**
- **Dr Geoff Matthews (Obstetrician)**
- **Dr Jonathan Hopkinson (Anaesthetist)**
- **Dr Michelle Wellman (Gynaecologist)**
