

General Practice SA presents

Developments in Team Based Care

Join an open forum to explore and discuss the complexity of roles involved in patient referral pathways from General Practice to Allied Health and beyond.

**Allied Health Professions Australia—Resource Review
—Beth White, Senior Project Officer, CDM Project, AHPA**

APHA has developed a Chronic Disease Management (CDM) Resource Kit, through funding received through the Australian Better Health Initiative. This resource kit aims to achieve improved outcomes for patients with chronic disease by facilitating multidisciplinary team care. APHA invite feedback from participants in the use of the CDM Multimedia Resource Kit.

**Primary Health Care Organisation Reference Group (EOI)
- Gretchen Scinta, CEO GPSA**

A brief discussion to consider the opportunities and issues with the current health reform agenda, and to explore the potential for joint planning.

Health Provider Registry

An update of the registry, how to inform GP's of the range of services you offer and how to update your details and more.
