3. The session has improved my understanding of Practice Nursing

### **Comments**

- Thoroughly enjoyed the day & found it very informative
- Well organised
- Very well done
- Venue car parking an issue however enjoyed the day
- A very full day, can see the need for a full program
- Good day I realised Practice Nursing is not for me at this stage
- Demonstrated the career change I am looking for
- The role is huge, the training improved my confidence
- Extremely informative my understanding of the role has deepened
- I am clearer know on the role and there are areas for PN I have not considered
- The information today was great I feel the salary range does not match the role
- Very enlightening, very busy role, excellent handouts
- Knowing the range of network support has given me the confidence to apply for as a PN
