

Invitation

Stroke Service Delivery Forum

You are invited to attend the inaugural Statewide Stroke Service Plan Forum. The aim of the forum is to present a statewide perspective of current stroke service delivery, followed by the vision set out in the *SA Stroke Service Plan 2009-2016*. The forum will also serve as an opportunity for you to register your interest in participating in work groups that will underpin recommendations made by the Statewide Stroke Clinical Network Steering Committee.

Tuesday 20 April 2010

5.30pm – Light refreshments

6.00pm – Forum commences

7.30 pm – Forum close

Adelaide Convention Centre

North Terrace

Adelaide

Riverside Rooms

This is an important meeting that will provide you an opportunity to be involved in improving stroke management in South Australia.

Please RSVP for catering purposes by 15 April 2010 via:
