

Motivational Interviewing

(1/2 day workshop)

Margaret Tobin Centre, Bedford Park, South Australia

27th May 2010 - 9:00am – 13:30pm

Workshop Introduction:

How often are you frustrated when there seems to be no improvement in your clients' wellbeing? Do you feel your clients need more motivation? Well, this workshop is for you!

This ½ day workshop provides an introduction to the knowledge and practical skills in the use of Motivational Interviewing within clinical practice.

Aims of the Workshop:

This clinically-relevant workshop is designed for service providers from various health backgrounds who work with a variety of clients where motivation plays an important role in the wellbeing of the client.

Participants will:

- Gain a working knowledge of the principles and issues relevant to Motivational Interviewing.
- Gain knowledge and skills in the art of Motivational Interviewing.
- Learn how to apply Motivational Interviewing skills acquired to enhance their current clinical practice.

Conducted by:

- **Julianne Watson** is a lecturer in the Mental Health Sciences program and therapist/clinical supervisor at the Centre for Anxiety and Related Disorders. Julianne is active in lecturing, tutoring, and supervision in the Mental Health Sciences Programs.
- **Zhila Javidi** is a lecturer in the Mental Health Sciences Programs and Team Leader at the Centre for Anxiety and Related Disorders.
