

Primary Care Horizons Future perspectives for SA Divisions

Leadership and Excellence

General Practice SA presents

ADVANCE NOTICE

Primary Care Horizons: Future perspectives for SA Divisions

GPSA will be hosting the next 2 day Forum in mid-October

Topics to be included on the agenda could include:

E-health topics including an overview by SA Health of their new website, and the business of general practice.

Train-the-Trainer Workshop facilitated by Peter Larter. Under the CTG MBS funding, we will run through MBS requirements & items, PBS and provide a framework for Divisions to take back and run their own local workshop.

Program activities (NIGP/CPNI/CTG/Immunisation) and incorporating a consumer perspective with involvement from the Health Consumers Alliance of SA. Division feedback is invited—email events@gpsa.org.au

Stakeholder Network Lunch (Friday 15th) - please email us with suggested attendees that you'd like us to invite—events@gpsa.org.au

Concurrent CEO session—please provide feedback on what topics you would like to centre your discussions around — events@gpsa.org.au
