

Chronic Condition Self-Management Forum

The Grand Chifley Hotel on South Terrace, 226 South Terrace, Adelaide 5000.

Wednesday 6th May 2009

9.00am – 4.30pm

We would like to acknowledge this land that we meet on today is the traditional lands for the Kaurna people and that we respect their spiritual relationship with their country. We also acknowledge the Kaurna people as the custodians of the greater Adelaide region and that their cultural and heritage beliefs are still as important to the living Kaurna people today.

Purpose: The Forum aims to provide participants with the opportunity to network and to hear presentations from both the public and private sectors around self management. Presentations will include a discussion on how services collaborate across sectors.
