Tracky Dack Day July 3rd

Hi Folks Paul Bartlett General Manager of FIVEaa with an important community announcement.

Tracky dack day

I've long lived by the philosophy that the tracksuit makeith the man.
John Howard...Big fan of the Tracky.

Dawn Fraser...More tracksuit than the tracky itself.

Even our former governor Marjorie Jackson did some of her best work in a tracksuit.

Be Active's Tracky Dack Day is on Friday July 3 and as a Manager, General Manager, CEO, Premier even Prime Minister I urge you to encourage, embrace and acknowledge the rightful place that the humble tracksuit holds in Australian History...

Get your workers in a tracky, Be Active and be as one Friday July 3.

Take every opportunity to be active.
