Dear Gretchen,

**CHSA and GPSA meeting outcomes of May 21<sup>st</sup> 2009.**

Following from our meeting with you on the 21<sup>st</sup> May, please find attached the draft Country Health SA Model of care document for the Rural Divisions of General Practice to comment on. As discussed with you we assume that many of your rural members will have already seen this document through local consultation processes. We would appreciate any comments GPSA and your members may wish to make in regards to this country model. If you could direct any comments back to Mr Nino DiSisto, Executive Director, Aged Care, Service Development and Major Projects, telephone 8580 2411, or through the address above, by the end of June 2009.

In discussing the implementation of the Practice Nurse Initiative, it was agreed that the funds would be allocated to GPSA Inc for all of the rural divisions and then you would liaise with the Inner Rural Country Health Network (IRCHN) regarding their funding allocation. This will be formalised in a Service Agreement, including the funding methodology that CHSA has agreed to with the IRCHN that we will develop in consultation with you.

We also support GPSA Inc nominating a further member to the Better Care in the Community Leadership group, your current nominee is Dr Georgina Moore. If you could liaise with Karen Dixon, Acting Director, Service Development, telephone 8226 7024, around this issue that would be much appreciated.

Yours sincerely
